

Early Years Childcare and Extended Schools Services

Transition Cluster

The aim of this cluster is:

- To raise the quality of support for young children and their families at points of transition.

There will be an opportunity to:

- Share practical ideas for events and activities
- Use the new transition support booklets to plan action
- Use the new County document: 'Record at Transfer from Pre-school to School' document

Target group: This cluster meeting will be of interest to all Early Years practitioners, nursery and reception teachers, children's centre staff and other professionals.

Practitioners are welcome to bring any materials they have developed to support transitions to share at the meeting.

Refreshments will be available on arrival.
