

Support for Teaching Physical Education in your NQT Year

Last year we ran a very well received training day for NQT's which focussed on all aspects of delivering Physical Education and School Sport.

We are confident you would agree that at the start of the year there are a lot of pressures upon NQT's, our aim is to help provide continued support and opportunities for further professional development.

As such we have reserved a place for any NQT's you may have from September on the following course:

Teaching High Quality PE in your NQT year – a practical survival guide!

15 September 2010 09:30 – 4:00

Venue: Bawburgh Primary School, Nr Norwich

The course is specifically tailored to support colleagues entering the profession and will give them confidence and competence to teach the five areas of the PE curriculum required in schools. The course will also come complete with resources, material and practical ideas to use. Local specific health and safety guidance will be covered and we will endeavour to dispel fears around litigation and teaching PE.

The course costs **£140** for the day and includes all material, refreshments, lunch etc. If you wish to book this course, please complete the attached booking form as soon as possible and return it to Keren, so that she can plan effectively for the day. This course is similar to one she ran for Graduate Teachers and is highly rated for its practical approach.

We look forward to meeting your NQT on the day and being able to support their further professional development.
