A CLAYS

When storing, all clays must be double wrapped after opening to prevent drying out. Clays are best stored in a cool but frost free situation, free from draughts.

Buff Stoneware

Fireclay based, inexpensive stoneware body for domestic ware. Throws well, turns easily. Plastic, strong and reliable.

10694 Firing range 1120° - 1280°C Bag of 12.5kg **£2.65**

Standard Red Terracotta

Highly plastic blend of Etruria marls giving a good red and high fired strength.

10715 Firing range 1040° - 1160°C Bag of 12.5kg **£2.15**

Off White Stoneware

A white-burning, refractory, smooth-textured body which throws and handles well. A very good domestic ware body of excellent colour and performance.

10723 Firing range 1200° - 1280°C Bag of 12.5kg **£3.15**

Crank Clay

For hand building large items or mixing with other clays to provide 'tooth', this coarse textured, open but plastic clay is unsurpassed. Refractory, and nicely toasted colour (speckled orange-brown under reduction). Ball clay based with several specially graded hi-purity grogs. Low shrinkage.

11144 Firing range 1150° - 1280°C Bag of 12.5kg **£3.95**

Raku Modelling

Pottery clay for hand building. Suitable for Raku and stoneware firing temperatures.

117803 Firing range 1060° - 1280°C Bag of 12.5kg **£3.45**

AIR HARDENING CLAY**B Newclay Nylon Reinforced**

This special clay, which air dries to a non-brittle finish, is off white and of excellent quality, being nylon reinforced for added strength. It can be painted with any classroom paint and can be re-constructed by adding water. Optional additives are the Newclay Hardener and Newclay Gloss.

13064 Bag of 12.5kg **£5.95**

C Newclay Hardener

A powder which is mixed with hot water and then brushed on to the clay to achieve case hardening.

13072 Bag of 0.45kg **£3.50**

D Newclay Gloss

Give a final transparent shiny finish to models. Designed to mix with any water-based colourant to fix and enhance NEWCLAY models. Also an effective adhesive.

13080 Bottle of 625g **£4.15**

E Natural Reinforced

A water-based product. Malleable and user friendly, the clay gradually hardens on exposure to the air. Models can be kept workable by storing under a damp cloth. Re-constitute once a day by dampening and re-moulding.

74594 Stone Tub of 2.5kg **£2.95**

74586 Terracotta Tub of 2.5kg **£2.95**

GLAZES**Powder Glazes**

In accordance with the Pottery Health and Welfare Special Regulations 1950.

Lead Free, Transparent, General Purpose

Excellent craze resistance.

08818 Firing range 1040° - 1140°C Bag of 5kg **£11.75**

Low Solubility, Transparent, General Purpose

Gives good gloss and good colour development.

08826 Firing range 1040° - 1150°C Bag of 5kg **£10.00**

Lead Free, Zircon Opacified White, Glossy

08834 Firing range 960° - 1100°C Bag of 5kg **£15.50**

F Brush On

Firing range 995° - 1036°

A specially formulated liquid glaze that is ready to use from the jar. This method of application means more creative possibilities and less wastage.

59978 Yellow **59994** Blue

60011 Trans. Green **59986** Glade Green

Use this flyer as a prompt to order your Annual Clays and Glazes requirements for the next Academic Year.

The descriptions, codes, and prices are provided to help you place your orders.

Remember, FAXES are CHEAPER than the post and CONFIRM RECEIPT of your order

Clays & Glazes

ESPO has, in the past, sent all Schools a Pre-printed Order Form for **Clays & Glazes**.

Over recent years, however, the number of order forms returned have significantly declined and many orders are now placed electronically.

Should any schools still wish to place their **Clay & Glazes** orders using a pre-printed order form they can do so by Emailing: **c.services@espo.org** who will send a Clays & Glazes Order Form in PDF format by return Email.

Clays & Glazes can be ordered through your usual ordering methods referring to page 838 of the current ESPO Catalogue 2010-11 (see overleaf)

Advice or guidance on **Clays and Glazes** should be referred to Martin Lawson, the ESPO Art & Design buyer.

FURNITURE DELIVERIES DURING THE SUMMER HOLIDAYS

We need your help...

Our suppliers would like to be able to deliver as many of your furniture orders as possible this summer.

If your school is open at any point during the summer holidays and there is someone available to accept deliveries we would like to know about it!

When placing orders for furniture, please advise us of any dates you will be open over the summer holidays and contact details of the person who will be on site to take delivery which we can forward to our suppliers.

Deliveries requested for the beginning of September are booking up very quickly, therefore any orders that can be delivered during July and August will help to alleviate any backlog and will ensure that you will have your items ready for the start of the new term!

**Thank you for your co-operation
from all in the ESPO furniture department**

We've got three great deals that are both fantastic value and EU compliant...

ESPO has negotiated on behalf of the Pro5 group of consortia, a unique OGC led e-auction generated IT framework to supply EU compliant IT equipment for all of our customers by The Stone Group.
