

FILMCLUB[®]

Journeys

Take your pupils on a school trip with a difference, through our new Journeys seasons of films.

From our film season that takes pupils around the globe to seasons of films that focus on the journey to adulthood and even ones that go on a trip back in time to the days of classic cinema. Each provides a journey that brings young people into contact with unfamiliar people, places and stories – broadening their horizons and helping them better understand the world, and even themselves.
