STRATEGY FOR FEEDING INFORMATION FROM SCHOOL SELF REVIEW ACTIVITIES INTO OFSTED FORM S4 AND NORFOLK SCHOOL SELF REVIEW – SECONDARY.

Note - All evaluation reports produced by school managers should have a summary including the following sections:

- How do you know?
- Which features are the strongest and why?
- What needs improvement and what action needs to be taken?

This will allow text to be directly pasted into the Norfolk School Self Review and Ofsted Form S4. In addition a section should be included that considers whether the school is improving.
